

Mistaken Identity

Who Does God
Say You Are?

God knit you together in your mother's womb. Praise God because you were fearfully and wonderfully made. Psalm 139:13-14

Join us for an evening of encouragement and healing as Lisa Leigh Miller, author of *Sold To The Highest Bidder*, shares her testimony of how the Lord helped her find her true identity after a lifetime of believing who others wrongly said she was. She brings a message that bears witness to the truth about our God-given identity and the healing that comes from living fully into who our Heavenly Father says that we are.
